

1. INTRODUCTION

These General Terms and Conditions – Service Work (2015) (the “Conditions”) shall, unless otherwise agreed in writing, apply to all service work performed in the field (“Service Work”) by any authorized member, agent, subcontractor or representative of WinGD Ltd. (the “Contractor”) to a customer (the “Customer”). Contractor’s offers are nonbinding until accepted and confirmed by a purchase order issued by Customer in compliance with these Conditions which is acknowledged by Contractor (any such acknowledged purchase order, a “Contract”). These Conditions shall form an integral part of the Contract. Customer may not change or cancel any purchase order after it has been received by Contractor unless Contractor has agreed in writing to such change or cancellation.

2. CONFIDENTIALITY AND INTELLECTUAL PROPERTY

Neither party shall copy or disclose to a third party any document or data provided by the other party without the prior written consent of the other party or use them for purposes other than those for which they were provided. Intellectual property rights associated with the Service Work or any document or data provided by Contractor in connection therewith shall remain Contractor’s property. Customer shall defend, indemnify and hold harmless Contractor against all claims, losses and damages, including reasonable attorneys’ fees, arising out of or resulting from any reuse, modification, reproduction or publication of Contractor’s intellectual property documents or data.

3. PERFORMANCE AND ACCEPTANCE OF WORK

3.1 Customer shall be deemed to have accepted the Service Work performed by Contractor as being in accordance with the Contract unless Customer has notified Contractor of any non-conformity within three (3) days following the last day on which the Service Work was performed. Any date or period for completion stipulated or quoted shall be deemed to be an estimate only, and there shall be no express or implied time limit in dispatching or completing any Service Work.

3.2 If Customer anticipates that the Service Work cannot be commenced as agreed in the Contract due to reasons attributable to Customer, Customer shall notify Contractor in writing stating the reason and the time when Customer anticipates that the Service Work could commence. Contractor may by notice require Customer to set a final reasonable time for when the Service Work should commence. Any additional costs related to such delay shall be borne by Customer as per Clause 8.2.

3.3 Contractor has a right to suspend the performance of its obligations under the Contract if it is reasonably clear from the circumstances that Customer will not be able to perform its obligations as stated in the Contract.

4. COMPENSATION, PAYMENT AND OWNERSHIP

4.1 If not expressly agreed otherwise in writing, the Contract’s price is based on the Service Work performed during normal working hours. Time sheets for each week shall be provided thereafter by Contractor to Customer and shall be promptly checked and attested by Customer. The time sheets provided by Contractor shall be deemed to be evidence of the working hours invoiced by Contractor. Hourly rates, overtime rates and daily allowances shall be as specified in Contractor’s standard rates then in effect (such rates are subject to change from time to time). Customer will be charged a daily allowance for each of Contractor’s personnel based on the number of working days from the date of departure of such personnel until their return. Unless otherwise agreed in writing, a normal working week is comprised of forty (40) hours; eight (8) hours per working day, spread over five (5) working days. Local holidays shall be observed. Unless otherwise agreed, any Service Work done outside normal working hours shall be charged to Customer as overtime. Any waiting time for which Contractor is not responsible shall be charged to Customer as normal working time. Time spent by Contractor’s personnel travelling to and from Contractor’s office, the work site and Customer-provided lodging shall be for Customer’s account. The daily remuneration and allowances shall be payable during incapacity caused by sickness of or accident to any of Contractor’s personnel if caused by failure of Customer to maintain safety in the work site environment.

4.2 All travel expenses, plus ten percent (10%) handling cost, incurred in connection with the Contract shall be for the account of Customer. Travel expenses include: (a) fares for journey by rail, sea, air, car and/or bus; (b) carriage, freight and customs duties as well as insurance due in connection with personal effects, instruments and tools

required for the Service Work, including necessary costs for overweight on air freight; and (c) all out-of-pocket expenses incurred by Contractor for the Service Work ordered by Customer, such as internet use, facsimile and telephone calls.

4.3 In the event of any illness or accident affecting any of Contractor’s personnel, whether during the performance of Service Work or otherwise, necessitating medical attention or hospital treatment, Customer shall ensure that the best and appropriate medical facilities and medications are made available to Contractor’s personnel. If it is necessary to repatriate an ill, injured or deceased member of Contractor’s personnel, Customer shall assist Contractor in arranging for such repatriation in the safest and most expedient manner. All costs incurred under this Clause 4.3 shall be borne by Contractor.

4.4 Unless otherwise agreed, payment shall be made by bank remittance in Swiss Francs and to the bank account set forth in the invoice within twenty (20) days following the date of the invoice. Payment shall be made in full without any set off, counterclaim or deduction. Customer shall pay interest on overdue payments at a rate of three (3) percent per annum/pro rata from the date payment is due until the payment is received in full. Customer shall pay Contractor all costs related to the collection of overdue amounts, including reasonable attorneys’ fees. In the event any payment is more than thirty (30) days late, Contractor shall be entitled to suspend or terminate the Contract by written notice to Customer, and such remedies shall not be exclusive of Contractor’s additional rights under contract or law. Title to any part, material, equipment, supplies, consumables or replacement and any other items furnished, provided or supplied by Contractor in performance of the Service Work shall pass to Customer only when payment in full has been received by Contractor. Contractor may as a precondition for the performance of the Service Work, request that Customer provides Contractor with security covering any unpaid amount already owed to Contractor or one of its affiliates.

4.5 Any assistance or work performed by Contractor outside the scope of Contract shall be charged as extra work in accordance with Contractor’s standard rates then in effect and with these Conditions.

5. WARRANTY

5.1 Contractor shall repair or re-perform, in whole or in part, at its sole discretion, any defective Service Work which appears during the warranty period. Customer shall immediately take appropriate steps to prevent any defect from becoming more serious, and all warranty claims with respect to this warranty shall be made in writing without delay and not later than fourteen (14) days following discovery of such defect during the warranty period. Customer shall have the responsibility to establish that its claim is covered by this warranty. Replaced parts shall become Contractor’s property and upon Contractor’s request, be returned at Contractor’s cost. Delivery of repairs or re-performance under this warranty will be made in accordance with the original Contract delivery terms.

5.2 The warranty period for the Service Work begins on the date of delivery and ends six (6) months from the last day of performance of the applicable Service Work. The warranty period in respect of Service Work which has been re-performed under the warranty shall expire six (6) months following the last day on which the Service Work was re-performed under the warranty. The warranty for re-performed Service Work shall be subject to the same terms, conditions and limitations of liability, as those applicable to the originally-performed Service Work. Under no circumstances shall the warranty period of any Service Work (whether original or re-performed) extend beyond the date that is twelve (12) months following the date of commencement of the original warranty period as stipulated above in the first sentence of this Clause 5.2. In case the Service Work is ready to be commenced but Contractor is not able to commence it due to reason attributable to Customer, the warranty period as stated above in this Clause 5.2 shall commence from date the Service Work should have taken place according to the Contract.

5.3 Contractor shall not be liable for any defect due to or arising in connection with: (a) any materials, components, tools, designs or software provided by Customer; (b) negligence or wilful misconduct of Customer; (c) parts, accessories or attachments other than those supplied by Contractor in the course of performance of the Service Work; (d) improper service work, installation or alterations carried out by Customer; (e) normal wear and tear; (f) use of unsuitable material or consumables by Customer; (g) fluctuation in the grid; or (h) any use, service or operation of any equipment, parts or components upon which

Service Work was performed which is not in conformity with manuals, instructions or specifications provided by Contractor or which is otherwise not in accordance with normal industry practice. Contractor's warranty obligation does not include any cranes, electricity, scaffolding, docking, diving, sub-sea work, towage costs, demounting or mounting costs and expenses of Contractor's personnel or representatives, and all such costs and expenses shall be reimbursed by Customer to Contractor when applicable. If after Contractor's warranty investigation it is found that Customer does not have a warranty claim within the scope of these Conditions, then Customer shall be responsible for all applicable costs and expenses for such inspection, repaired or replaced parts or other service work.

5.4 This clause 5 sets forth the only warranty applicable to the service work and is in lieu of any other warranties, guarantees, obligations and liabilities express or implied including warranties, guarantees, obligations or liabilities against non-conformity or defects. Customer hereby waives all other remedies, warranties, guarantees and liabilities, express or implied, arising by law or otherwise (including without limitation fitness for purpose, merchantability or satisfactory quality).

6.3 Contractor shall not be liable for any work carried out by Customer or by any third party, even though carried out with assistance of Contractor's personnel. Customer shall bear the risk of loss of its equipment and other goods in connection with the Service Work, even if such equipment or goods are in facilities used by Contractor.

7. INSURANCE

Each of Contractor and Customer shall at its own cost provide for and maintain comprehensive insurance coverage to protect its own property and personnel.

Each party shall obtain a waiver of all rights of recourse and subrogation against the other party from its insurers as well as indemnify and hold the other party harmless for all claims of or by either of the parties' insurers.

8. FORCE MAJEURE AND OTHER EXCUSABLE DELAYS

8.1 Neither Contractor nor Customer shall be liable for any failure or delay in performing its obligations hereunder, or for any loss or damage resulting therefrom, caused by or arising from an event of force majeure ("Force Majeure"), which includes without limitation acts of God, wars whether declared or not, any events involving armaments of war, civil wars and riots, hostilities, public disorder, acts of terrorism and severe threat of terrorism, any measures taken by public authorities in connection with threat of terrorism, embargos, acts of civil or military authorities, fire, flood, accidents, strikes, failure of a subcontractor or sub-supplier to provide manpower, materials or goods caused by an event that qualifies under this Clause 8.1, epidemics, unusually severe weather affecting either party, or causes beyond their control.

If the interruption continues for more than one week, Contractor's personnel may be returned to Contractor's country. All expenses in relation to such withdrawal and/or subsequent return shall be borne by Customer. If the period of

suspension exceeds two (2) months, either party may terminate the Contract by three (3) days' notice in writing to the other party without prejudice to the rights of either party up to the date of termination. All reasonable additional costs incurred by Contractor as a consequence of the suspension and any subsequent resumption or completion of the Service Work shall be reimbursed by Customer.

9. SECURITY AGREEMENT

To the extent permitted by law, Customer hereby grants to Contractor a lien on and a continuing security interest, and when applicable a maritime lien for necessities, in and to all equipment, parts and components upon which the Service Work is performed and all products and proceeds derived from the sale or lease thereof as security for the payment in full of such Service Work. Customer hereby waives any and all claims, defences, and causes of action that Customer may have in connection with the exercise of any such lien rights by Contractor.

10. CUSTOMER'S ADDITIONAL PERFORMANCE OBLIGATIONS

Customer shall comply with all laws, rules and regulations applicable at the work site, arising out of the performance of the Service Work.
